

THE DEEP DIVE

THU 22 - FRI 23 MARCH 2018 – MANLY, AUSTRALIA

A unique, all-inclusive opportunity for leaders to immerse themselves in two days of interactive sessions with international thought-leaders and fellow executives. Join an exclusive cohort at the spectacular Q Station Manly, on the edge of Sydney's stunning harbour and national park.

Take two days away from the everyday to develop strategies for resilience and challenge your thinking.

BJARTE BOGSTNES – Chairman, Beyond Budgeting Institute Senior Advisor Performance Framework, Statoil

Join Bjarte – international expert in finance and HR and winner of a Harvard Business Review/McKinsey Management Innovation award – to discuss his compelling message about how we make more human, adaptive organisations through achieving business agility.

STEVE DENNING – Author

Steve has been recognised worldwide for his innovative work on leadership, innovation, Agile management and organisational storytelling. He is former Program Director, Knowledge Management at the World Bank, a Forbes.com columnist and author of the forthcoming *The Age of Agile*. This is your chance to join Steve as he shares steps for systematically generating market-creating innovations and the necessary shift in culture that is required.

MELISSA PERRI – CEO, ProdUX Labs

After delivering a series of sold-out workshops in Australia in 2017, Melissa returns to share strategies for building products that customers want! CEO of ProdUX Labs, a sought-after international speaker and author of the upcoming *Escaping the Build Trap*, Melissa will work with you to add the missing pieces to your Agile transformation, provide guidance on training product teams as well as strategy, structure, and process.

DR JASON FOX

Dr Jason Fox is a modern day wizard-rogue and leadership adviser—oft sought after for his pioneering philosophies and expertise in motivation design. He is the bestselling author of *The Game Changer* and *How to Lead a Quest: a handbook for pioneering executives*, and in 2016 was awarded Keynote Speaker of the Year. Jason partakes in extreme sports such as reading, beard maintenance and coffee snobbery.

Move beyond what you already know and take the time for genuine discovery, learning and exploration. Drill down into topics around business and **strategic agility**, creating human, **adaptive organisations**, and building market-creating **products**. Prepare to be challenged by working alongside familiar and strange bedfellows in an intimate, confidential space designed for sharing and development.

"Thanks so much for having me at the Deep Dive. I got a tonne out of it."

- John Henderson

Partner, Airtree Ventures

"Well done; the Deep Dive was a really worthwhile couple of days, superbly run. And as always, it's the people that make it so - my thanks for curating that list so well, but also for the presenters you invited along. However it is you identify and engage them always seems to work really well; novel and interesting and challenging – and relevant."

- Nigel Lawrence

Director of Products, Solair.com.au

"A really good forum to make connections and share learnings."

- Cyrus Adaggra
